Rodney College is a small rural secondary school catering for approximately 380 students from Year 9 to Year 13 offering a wide range of co-curricula learning, sporting and cultural opportunities. Staff at the college are expected to be culturally responsive and relational in their dealings with students, staff and whanau. We greatly value the contribution of our local Maori community. We are predominantly bicultural with 30% Maori.

The community expectations of the College are those of high academic attainment, job qualifications, discipline and social development of its children, with leadership as a key focus for all students in educational matters. Our NCEA pass rates in recent years have been at or above national statistics for decile 4 schools.

Rodney College is in the centre of the Wellsford community, a medium sized rural service town situated one hour's drive from Auckland and Whangarei. The community served by the College stretches from east to west coasts and is part of Auckland Super City in the south and Kaipara District Council in the north. The area is essentially rural and covers nearly 700 square kilometres where dairy and sheep farming predominate, with increasing forestry and lifestyle development.

The largest settlements are Wellsford and the coastal resort of Mangawhai. Communities at Tomarata, Pakiri, Tauhoa and Tabora have schools which also contribute students to the College. Apart from farming and farm related businesses, Wellsford is now a thriving "gateway" town with many food outlets providing for the needs of ever increasing through traffic. Rodney College is focused on providing students with work placement opportunities as part of their learning programme.

The main facilities of Wellsford township are the sports facilities, golf course, squash courts, bowling green and Centennial Park. The town has a community centre, comprehensive medical centre, Maori health centre, museum and library. In addition, the nearby Kaipara Harbour to the west and the beaches of Mangawhai, Te Arai and Pakiri to the east are easily accessible.

Local education facilities include kindergarten and day care, kohanga reo and primary schools. Not only is the community welcomed into the Rodney College environment through sport and social events, staff and students are involved in the community with active roles in sporting and cultural activities, community projects and fundraising.
