

Rodney College

TENA KOUTOU
MATUA MA

Blue skies and sunny days have meant that we've had a fantastic start to the 2024 school year. Our whole school competitive and house swimming events

occurred in glorious sunshine and the Athletics Day last week was a huge success. There have already been several sporting trips as well.

In Week 3 our Year 13s had a very enjoyable time getting to know each other on the **Leadership Camp** at Tangihua. Then in Week 4, Year 12 Science students explored the rocky shores of Goat Island. The following week Commerce (L1-3) students attend the Field Days in Dargaville.

Once again, a real highlight of Term 1 was the **Year 9 Noho Marae** held on Friday 1 March. This full day event gives our Year 9 students the opportunity to learn more about college life and the meaning of the four pou / values that support our Learning Culture i.e. **Ako, Manaakitanga, Hauora** and **Whanaungatanga**. In the evening, parents/whanau, students and teachers got to meet each other and share in the delicious hangi prepared by our Year 13 Hospitality students as one of their course assessments. They did this under the careful instruction and ongoing support of their teacher, Mrs Jones and Matua Pete Wynwood. It was a great night and wonderful that so many of you were able to join us.

Special thanks must go to our HOD Social Science, Pip Walters who was able to pull together the ideas, skills and talents of so many, to make this occasion such a resounding success.

Awesome Achievers 2023 NCEA Student Achievement

Overall, our 2023 NCEA results at all levels are pleasing. We are well above the National averages at Level 1 and 3 and just above at Level 2. Literacy and Numeracy at all levels remain strong and our UE achievement is much closer to the national average. Congratulations also to those students who not only completed but managed to excel attaining Merit or Excellence in NCEA 2023.

The results of the 2023 Junior Prize-giving have been included in this newsletter. Well done to those students who aimed high, achieving their JCEA award with either a Merit or Excellence endorsement.

Nga mihi

Irene Symes
Principal

SCHOOL POLICIES AT SCHOOL DOCS

Rodney College has moved its school policy documentation to the **SchoolDocs** user-friendly platform. The SchoolDocs team partners with the college to ensure that our policies and procedures keep pace with the ever-changing educational environment.

This means that our policy information is accessible to the whole school community. Each site contains a set of policies and procedures that are tailored to the school.

Reviews and Feedback

Our policies follow a 3-year review schedule that ensures our content stays up to date. Each term the school community is able to provide feedback on the content and implementation of policies under review.

Topics that are under review have a review button, which allows school feedback to be sent to both the school and the SchoolDocs team.

[Start your review](#)

All topics also have a feedback button that can be used to send general feedback or queries about a topic directly to the school.

Information for the school community

Staff, parents, and whānau.

Using the site

SchoolDocs sites have a unique web address for each school. All members of the school community can access the site using these details.

Website

Username

Password

SchoolDocs sites are organised into sections that reflect operational requirements. The table of contents shows the key policy for each section, with dropdown menus that show supporting policies and procedures.

- To find a policy or procedure, use the search function at the top left with a topic name or keyword. Related topics will appear in the table of contents window. Clicking on the topic you want to read and then closing the search will show where the topic sits in the table of contents.
- For a list of important policies and procedures, search for the Quick Links topics that are available for school staff, and parents and whānau.

For more information, go to www.schooldocs.co.nz

YEAR 13 TANGIHUA LODGE

Year 13 camp was a great experience to learn more about each other and build our leadership skills. We all participated in activities that challenged us mentally and physically, like

teambuilding/ leadership games, skits, push ups, walks, waterhole swimming and challenge courses.

We also had the opportunity to go on early morning runs which were challenging but enjoyable and helped us be ready for the action packed days.

One of our favourite activities was the spider web challenge. We had to have one team member go under a table and we had one roll of sellotape and we had to find a way to sellotape them under the table and make sure you couldn't see them poking out of the table whilst looking down from above. This required us as a team to come up with a good strategy and be respectful towards one another. Another one of our favorite activities was the tennis ball in the hole game. During this activity every member of the group had to hold a tarp that had heaps of holes in it and we had to

keep the tennis ball on the tarp, still moving, for as long as possible. We had to communicate effectively about what strategy we were going to use to complete the task and once we decided on a strategy we ended up standing there for around 10 minutes. This allowed us to learn more about one another as we started having conversations with each other.

Overall it was a really fun experience, a great way to start the year, and I would highly recommend to anyone next year who has the chance to go on the camp.

By Hanna Kerrigan and Kyla Middleton

YEAR 9 NOHO MARAE

For the second year, Year 9 students participated in a marae noho that celebrated and supported the tikanga and learning culture of Rodney College.

Throughout the school day on Friday the 1st of March all Year 9 students participated in activities designed around Rodney College's four pou; **manaakitanga, whanaungatanga, ako and hauora.**

The highlight of the event is in the evening when whanau join us to enjoy a Hangi. Prepared by our Year 13 Hospitality students, who were absolutely

fantastic and supported by our community through food donations, this meal is a celebration of Rodney College's

awesome community spirit.

We believe this noho marae provides an important opportunity to develop students' social skills, particularly by strengthening relationships with staff and other students. By learning more about each other, alongside each other, we hope that the year 9s and their whanau will gain a strong, enduring connection with the culture of Rodney College.

An event like this does not happen without the support of many people. Rodney College wishes to acknowledge the support of the following people; Dr Hudd, Rueben Dingemans, Sheila Russell, Amber-June Railey, Delta Produce, Kylie Teaupā, Abby Meagher, Shayna Grace, Norhan Family, Ben Wade, Glen Jones, John Bassett and the Peach Patch.

ROTARY EXCHANGE

Sebastian Kashammer, a Year 13 student from Rodney College, left for Germany for a one year Rotary Exchange.

He will spend the year in Germany learning the language, the culture and will be living with different host families during this time while he attends high school.

He has to attend Rotary Meetings/Events wearing

the official uniform acting as an Ambassador for the country and his local Rotary Club.

At the Airport with all the New Zealand students, all going to different countries.

IZARD TRUST FOUNDER PASSES AWAY

Richard Izard OBE, a former Wellsford business man died on January 2 aged 89.

Mr Izard had been very generous to the students of Rodney College. Some years ago he set up the Izard Family Trust which is administered by Rodney College through appointed trustees. The money generated from this trust is used to support student leadership.

Further to this, Mr Izard donated a substantial amount of money to the Wellsford Community Swimming Pool renovation project. The swimming pool is situated on the Rodney College campus and the pool was in need of major work. Mr Izard's support allowed this project to go ahead.

Rodney College has been spoilt and would like to pay tribute to Mr Izard's generosity many years. This has supported our students and also the entire community.

Richard Izard OBE

STUDENTS & CARS

Permission to bring motor vehicles to school, in special circumstances, can be obtained from Mrs Hackett by completing a car pass form explaining the reason for use, car make, model and registration number, together with evidence of the student's driver's licence. The student's original driver's licence is to be sighted by Mrs Hackett, who will photocopy and place on file with approval.

Vehicles brought to school must not carry any other unauthorised passengers and must park in the student car park on the top courts on the left-hand side facing the bus bays. We expect prior permission for any use of a motorised vehicle. This includes motorbikes.

Rules Governing Use of Student Cars

1. The only students who may bring cars to school are those with full or restricted licenses.
2. Applications for permission to bring a car to school must be signed by a parent or caregiver.
3. Cars are not to be used or entered during the school day. No students are to go up town in their cars at lunchtime.
4. No passengers may be carried to or from school unless the student has their full licence.
5. Breaches of any of these rules will lead to cancellation of the right to bring a car to school.

GATEWAY 2024

We are off to a great start this year with many students already applying to be part of the programme. At this stage I am interviewing students and helping to organise workplaces for a future start date. Health and Safety and First Aid courses will be coming up near the end of the term and these need to be attended before heading out to workplaces. Courses are expensive (at least \$200 per student) so please ensure students attend all parts and complete them. Gateway courses are FREE to students.

If you are still keen and have not completed an enrolment application then call into my office and collect one asap. I am looking forward to a great year with a wide range of placements.

If you know of employers who would be keen to take on a student for one day a week please let me know.

YEAR 9 SCIENCE

Here is a trip down memory lane for those of you who remember getting your Bunsen burner licence.

MORE YEAR 9 NOHO PHOTOS

YEAR 10 HORTICULTURE

MOUNTAIN BIKING

Nine riders attended the Northland Mountain Biking competition in Dargaville: Finn Andrews, Lincoln Clapham, William Clapham, Eli

Heywood, Faenza Parore, George Russell, Harley Wade and Blake Hodgetts from Wellsford. School. Results still to come.

BRUCE SCOTT CRICKET

February 27 saw the Rodney College cricket team take on the strong Bream Bay and Pompallier sides at Kensington Park Whangarei. The first game began as Matthew Came won the toss and elected to bowl first. The opening spells of the game saw some disciplined bowling outside off from Peter Sundvick and Matthew Came, the Rodney team getting a good foundation with the fall of the Bream Bay opening partnership for under 20 runs. Koen Hare, Bhavya Sharma and Mitchell Elliot then took to the bowling crease to continue the run of wickets with help from some spectacular fielding efforts including a tough running catch from Alex Manual in the deep. The opening bowlers resumed the attack in the 16th over to cheaply take out the tail end leaving the pitch with Bream Bay scoring just 102 runs all out in the 20th over.

After the break Peter Sundvick and Matthew Came returned to the field to open the batting. Matthew Came departing cheaply for 5 runs in the fourth over and Bhavya Sharma and Alex Manual followed suit. Mitchell Elliot and Peter Sundvick managed to stop the fall of wickets and face out the middle overs bringing the team slowly to 60 runs before a good ball took out middle stump and sent Mitchell on his way. Koen Hare and Ethan Joplin came and went amongst a quick

succession of fours from the other end as William Clapham and Peter Sundvick brought the team to the victory with a boundary to win.

After their win, Rodney took a new confidence into their second game against a combined Huanui and Pompallier team and attempted to execute the same gameplan, electing to bowl first with Matthew Came and Peter Sundvick opening the bowling. Though the opening spells saw success as Matthew found the outside edge which carried to the keeper, the runs kept coming for the opposition and even some impressive catching from Bhavya Sharma at backward point couldn't slow them down. The first innings finished 152 for 4 setting a tough target for Rodney College.

Alex Manual and Matthew Came opened the batting with a strong start but were unable to stay at the crease; Bhavya Sharma made some headway with a strong 30 runs but a late order batting collapse meant the team only reached 106 of their 152 target after the 20th over.

Overall it was a successful tournament for Rodney College with some promising performances with bat and ball; the new year nine players will walk away with some valuable experience and the entire team will find some good things to take away and improve upon for their upcoming games against Mahurangi College.

RODNEY STUDENTS ACHIEVING GREAT RESULTS

Kacey Williams was selected for the North Harbour U16 Touch Team to play in the National Tournament held on the 2nd to the 4th of February 2024 in Auckland at Bruce Pulman Park. Kacey was awarded MVP for her team.

Jack Pennefather was recently selected for Northland U18 Boys Basketball, playing in Super City to qualify for Regionals.

Alex Manuell was selected for North Harbour U20s to play in the regional tournament to qualify for Nationals in March 2024.

Samantha- Lee Wakeling has been riding well on both Hula Xtreme and BMW Sharpshooter. Samantha competed at HOY (Horse of the Year), in Hawkes Bay from 5 – 10 March on Hula Xtreme in the Seven Year Old class and BMW Sharpshooter in the Pony class (results to come)

Emma Lay, Sienna Purcell and Finn Andrews competed in the Oceans 24 Surf Lifesaving Nationals held in Tauranga over four days. Finn and Sienna placed 2nd in the U14 Beach Relay Final and Emma placed 10th in the U13 Surf Race swim final. Sienna placed 7th and Finn placed 8th in the Sprint Final.

Emma Lay is competing in the upcoming Northland Surfing Trials in Ahipara at Blue House and Pines.

Zac Wakeling, Carlo Denton and Korban Whyte have been selected from the Northern Wairoa area for weekly training sessions with Dan Hawkins until the season starts. The three boys also played for Central Kairpara in a Sevens tournament beating both Marist and Kamo.

Eli Heywood has been riding in the Maungaturoto Motocross Summer Series in the Junior 85 class event.

We love to hear about our students' achievements please email me on maria.northin@rodneycollege.school.nz

Rodney College Sports Coordinator

Part time 30 Hrs per week, term time only starting Term 2, 2024.

The Sports Coordinator is responsible for the organisation, administration, and management of sporting opportunities and activities for Year 9-13 students. We're looking for someone with the following attributes:

- Strengths in administration and communication
 - Strong judgment and decision-making skills and the ability to use these skills effectively under pressure
 - Excellent verbal and written communication skills including ability with digital technology
- Ability to develop strong relationships with a number of key groups including: community volunteers, managers & coaches, students, parents and caregivers is a key aspect of this role.

This position comes under the Support Staff in Schools Collective Agreement 2022-2024. A successful police vetting is a condition of employment.

Please forward your covering letter, including two current employer referees and CV, to eo@rodneycollege.school.nz
Applications close 12 March 2024.

Warkworth Scout Group

If going on awesome adventures, playing heaps of games, learning life skills, doing arts and crafts, making lots of friends sounds like your child, Warkworth Scout Group is offering free taster sessions for Keas, Cubs, Scouts and Venturers.

Where: Warkworth Scout Den Hall, Shoemsmith Road, Warkworth

Times: Keas (5-8 Years) Wednesday 4:30 pm to 5:30 pm
Cubs from (8-11 Years) Tuesday or Friday 6:00 pm to 7:30 pm
Scouts (11-14 Years) Monday 6:00 pm to 8:00 pm
Venturers (14-18) contact Jennifer Weigel

Contact Group Leader – Travis Weigel 021 861 434
