### RODNEY COLLEGE PAYMENTS 2023

Rodney College has opted-in to the Government's Donations Scheme for 2023, and as a result we will not be asking parents and caregivers for a school donation in the 2023 school year.

However, under this scheme we are permitted to ask for contributions to school camps/trips and these contributions may be claimed as a tax credit. Additionally, there will still be a charge for materials in subjects with a *'take home'* component. eg wood, textiles, metal technology etc.

There will also be a charge for any resources and stationery purchased through the school eg optional workbooks. Optional activities will continue to incur a charge eg sports, cultural, ball. All charges and contribution requests will be applied to the student's college account. **Our preferred method of payment for contributions is an Automatic Payment (AP) which can be set up from as little as \$5 per week. We strongly urge you to set up an AP for your child.**

Payments can also be made to the student office by cash, cheque, eftpos, credit card, or online banking. If paying online, please put the student's full name under the reference and what the payment is for eg Hockey etc.

Our account number is: **12 3094 0144059 00**

For any student account queries, donation receipt requests or information on financial assistance, please contact:
